**UC CAI Commercial Assessment Form  
to be completed by Campus Technology Licensing Office**

Applicants must give this form to the campus technology licensing office (TLO) as soon as possible. The TLO will complete the form, sign it, and return the completed form to the Applicant.

The completed and signed form must be uploaded with the proposal (see RFA for instructions).

**Section 1. Eligibility Review**

1. Is IP assigned to UC and technology available for licensing?  Yes  No

2. Is IP/technology jointly owned?  Yes (go to 2a)  No (go to 3. IP Protection)

2a. If Yes, is it jointly owned with:  Non-Profit or Academic Institution (go to 2b.)  Commercial / For-Profit Entity

2b. Is there an inter-institutional agreement already in place in which UC has the lead?  Yes  No

3. **IP protection.** Provide information about the kinds of IP protection sought (e.g., filed provisional, regular utility, plant or design patent applications; copyrights; trademarks), if any, as well as numbers of any issued patents or other kinds of IP.

Date	IP Protection Type	Issued (yes/no) If yes provide number

To the best of the technology licensing officer's knowledge the technology is unencumbered by any prior obligations.
