

Blood diseases and conditions

- anemia
- antiphospholipid antibody syndrome
- aplastic anemia
- deep vein thrombosis
- disseminated intravascular coagulation
- excessive blood clotting
- Fanconi anemia
- hemochromatosis
- hemolytic anemia
- hemophilia
- immune thrombocytopenia
- iron deficiency anemia
- lymphocytopenia
- pernicious anemia
- polycythemia vera
- pulmonary embolism
- Rh incompatibility
- sickle cell anemia
- thalassemias
- thrombocythemia and thrombocytosis
- thrombocytopenia
- thrombotic thrombocytopenic purpura
- von Willebrand disease

Heart and Blood Vessel

- aneurysm
- angina
- arrhythmia
- atherosclerosis
- atrial fibrillation
- cardiac rehabilitation
- cardiogenic shock
- cardiomyopathy
- carotid artery disease
- coronary heart disease
- coronary microvascular disease
- diabetic heart disease
- endocarditis
- heart attack
- heart block
- heart failure
- heart murmur
- heart palpitations
- heart valve disease
- high blood cholesterol
- high blood pressure
- holes in the heart
- hypotension
- Kawasaki disease
- long QT syndrome
- Marfan syndrome
- metabolic syndrome
- mitral valve prolapse
- patent ductus arteriosus
- pericarditis
- peripheral arterial disease
- Raynaud's
- stroke
- sudden cardiac arrest
- tetralogy of Fallot
- varicose veins
- vasculitis

Lung Diseases and Conditions

- alpha-1 antitrypsin deficiency
- ARDS
- asbestos-related lung diseases
- asthma
- atelectasis
- bronchiectasis
- bronchitis
- bronchopulmonary dysplasia
- childhood interstitial lung disease
- COPD
- cough
- cystic fibrosis
- hypersensitivity pneumonitis
- idiopathic pulmonary fibrosis
- LAM
- pleurisy
- pneumonia
- primary ciliary dyskinesia
- pulmonary hypertension
- respiratory distress syndrome
- respiratory failure
- sarcoidosis

Obesity

- obesity hypoventilation Syndrome
- overweight and obesity

Sleep Disorders

- Insomnia
- Narcolepsy
- Restless Legs Syndrome
- Sleep Apnea
- Sleep Deprivation and Deficiency
